

BECOMING A PARTNER

Green Marine Environmental Program

Green Marine is a voluntary environmental certification program for the North American marine industry.

By becoming a member of Green Marine, you can help strengthen the North American marine sector's environmental performance through a process of continuous improvement, build stronger relations with stakeholders, and improve the awareness of the marine industry's activities and its environmental benefits.

Partners are suppliers of services, products, technology and/or equipment that offer environmental advantages or opportunities to help Green Marine participants to improve their environmental performance. Each new partner has to provide a short statement on how they meet the above criteria. Partners may display the Green Marine logo, showing their commitment to the Green Marine initiative.

The benefits of becoming a Green Marine Partner include:

- Use of the Green Marine « partner » logo
- Profile of the partner in the **Environmental products and services online directory**. Posted on Green Marine's website, the directory includes the name, logo, corporate overview, contact info and website link of each Green Marine partners and allows search by keywords and geographical area of operations.
- Announcement of your membership on our website, on Twitter, and in our newsletter (corporate overview, logo, link) which is sent to over 4 000 subscribers
- Increased visibility among Green Marine participants
- Preferential rates for Green Marine conference and exhibition
- Preferential rates for advertisement in the Green Marine Magazine (member rate)

As Green Marine Partners, companies agree to respect the Program's communication policy related to the use of the Green Marine logo and to demonstrate their support of the Green Marine initiative. Partners annual membership fees vary depending on the size of the organization:

2019 MEMBERSHIP FEE SCHEDULE FOR GREEN MARINE PARTNERS
